§ 248.1 Fishing sites subject to regulation.

Use of any of the lands acquired by the Secretary of War and transferred to the Secretary of the Interior pursuant to the Act of March 2, 1945 (59 Stat. 22), as amended (hereinafter called "in lieu fishing sites" or "sites") to replace Indian fishing grounds submerged or destroyed as a result of the construction of the Bonneville Dam shall be subject to the following rules and regulations. The Area Director, Portland Area Office, Bureau of Indian Affairs (hereinafter called "Area Director"), may suspend or withdraw the privileges of access to or use of any or all the sites for any violation of the regulations in this part or of any rules issued pursuant to the regulations in this part.

§ 248.2 Persons eligible to use sites.

The in-lieu fishing sites are for the benefit of the Yakima, Umatilla, and Warm Springs Indian Tribes, and such other Columbia River Indians, if any, who had treaty fishing rights at locations inundated or destroyed by Bonneville Dam, to be used in accordance with treaty rights. The use of the sites is restricted to such Indians; however, this shall not preclude the use of camping areas on the sites by the families of such Indians.

§ 248.3 Identification of eligible users.

For the purpose of identification of the persons entitled to use the sites, each eligible Indian shall, when using said sites, have in his possession an identification card issued by his tribe identifying him as a member of that tribe. The Area Director shall issue identification cards to such other Columbia River Indians, if any, as may be eligible to use the sites. Any individual

using the sites shall exhibit the identification upon request of authorized Federal, State or local officials.

§ 248.4 Applicability of laws and regulations.

No Indian shall use any of the sites for any activity that is contrary to the provisions of any applicable law or regulation of his tribe or contrary to any applicable State or Federal law or regulation. The Area Director may in his discretion suspend or withdraw privileges for future access to or use of the sites for violation of such laws and regulations: *Provided*, That, nothing contained in the regulations in this part is intended or shall be construed as limiting or affecting any treaty rights of any tribe nor as subjecting any Indian properly exercising tribal treaty rights to State fishing laws or regulations which are not compatible with such rights.

§ 248.5 Damage to Government-owned property.

Anyone committing any act of depredation, destruction, theft, or misuse of the land, buildings, fences, signs, or other structures which are the property of the United States shall be subject to prosecution under applicable Federal or State law.

§ 248.6 Structures.

Dwellings, camping facilities, and other structures such as fish drying facilities and fishing platforms may be erected, placed, or maintained on the sites for use in the conduct of treaty fishing and related activities. Sites must be used in a manner that conforms to the health, sanitation, and safety requirements of the State or local law, or, in the absence of appropriate State or local laws, to the health, sanitation, and safety recommendations of the U.S. Public Health Service. The privileges or right of access to or use of the sites of any individual may be suspended or withdrawn, in the discretion of the Area Director, when such individual having violated such health, sanitation, and safety requirements repeats such violation after having been given notice to cease and desist therefrom.
